Dear Arthur,

Thank you so much for your very nice letter. It is indeed heartening to me to know that we have good friends like you who understand some of the problems we in CIA face these days. With the support of good Americans, I hope we will successfully go through these current troubles, however, so that we can return to the service to our country for which the Agency was designed.

Thank you for your support in the process.

Sincerely,

*for W. E. Colby*

Dear Mr Colby

I am a friend  
of the C.I.A. And do  
not like the way they  
and you as their boss  
are being blamed  
for everything that  
goes wrong in the  
world. I wish they  
the people would  
stop and think be-  
fore they speak.

Yours truly
